**TO ALL EMPLOYERS IN THE PORT ELIZABETH, UITENHAGE REGIONS**

**2023/2024 WAGE SCHEDULES**

Attached please find the 2023/2024 wage schedules.

Wage increases are left to the discretion of individual employers in consultation with their employees. The MBA recommends a 6% increase as from 1<sup>st</sup> October 2023.

Please note that employers will have to identify the wage band of an employee by referring to that employee's wage, in order to plot him/her on the schedule for "stamp" contribution/deduction purposes.

Categories are no longer reflected on the schedules. The examples referred to on the wage schedules are not linked to any specific group of employees and must be seen as examples only.

The enclosed contribution schedules are subsequently to be applied as follows:-

**Applicable from 1<sup>st</sup> OCTOBER 2023 to 30th SEPTEMBER 2024**

Should you experience any difficulty in interpreting the schedules, please do not hesitate to contact the Council's offices in Port Elizabeth for further explanation.

Yours faithfully
